Fellow Academy of Veterinary Dentistry Equine

Board Certified Equine Dentist

AWESOME EQUINE ASSOCIATE OPPORTUNITY AVAILABLE

Associate position available in a beautiful Southeastern Wisconsin Equine Hospital nestled on forty acres next to the Southern Kettle Moraine State Forest. Our practice philosophy is focused on work-life balance and a fun enjoyable work environment while providing top level services to our clients and patients. This position offers excellent growth opportunities, including mentorship (as desired) and potential future partnership/ownership.

What we do best:

- Prioritize work life balance
- Offer schedule flexibility to allow for professional and personal growth and enjoyment
- Commit to teaching and providing consistent quality mentorship by fellowed and boarded clinicians, in house and via our extensive networking throughout the USA and abroad
- Top-tier medicine and surgery
- Schedule weekly to biweekly rounds with experienced boarded clinicians
- Promote an employee-family atmosphere

Our area offers:

- Extensive array of outdoor activities: fishing, boating, hunting, skiing, snowmobiling, SUPing, kayaking, biking, mountain biking, ATV trails, hiking, horse trails, etc.
- Easy access to Milwaukee, Madison (voted 11th most beautiful city in America and most beautiful in Wisconsin) and Chicago.
- 4 beautiful seasons to look forward to.

Our hospital offers:

- Full surgery suite with inhalation anesthesia including respirator
- 9 stall infra-red heated barn and treatment area with stocks providing year-round comfort while working
- 5 beautiful groomed TB paddocks
- In house laboratory
- State of the art DR digital radiology including intra oral DR
- Esaoite digital ultrasound with transabdominal, trans-rectal and tendon probes
- State of the art CO2 surgical laser unit
- Cryosurgical Unit (liquid nitrogen based)
- Endoscopy
- Sinuscopy
- Oroscopy
- Pro-Stride APS system
- State of the art dental equipment for
 - Preventative oral health care
 - Advanced procedures (Minimally invasive trans buccal extraction, tooth sectioning, trans buccal osteotomy, sinus surgery, endodontics, periodontics etc.)
- All standard equipment expected in a full-service equine hospital/ambulatory practice
- Fully furnished intern quarters

Our client base/case load:

- Referral and non-referral case load (65% ambulatory, 35% in hospital)
 - Pleasure horse
 - Western horse - team penning, roping
 - Hunter jumper
 - Dressage
 - Driving horse
 - A truly diverse case load including all sizes and breeds of equids
 - 10% exotics and zoo animals (Milwaukee County Zoo)

We are **not** a corporate facility and can personalize employment contracts. Packages may include but are not limited to:

- Base pay commensurate with experience
- Commission pay with 100% commission on after hours emergency call fee and 22% and 5% respectively for bonus revenue and medication revenue respectively
- Paid vacation
- Health insurance or health insurance stipend
- Professional Liability insurance
- WI and IL state license fees
- Continuing education expenses stipend
- Additional CE days may be available during slow periods for on your own, “slow period” CE without using Vacation days.
- AAEP membership
- Fully stocked vehicle and gas card all vehicle maintenance
- Hospital mobile phone
- Laptop computer with hospital operating software
- Student loan reimbursement program
- 401K plan
- Holidays (Major holidays equally shared on call)
- Employee assistance program
- Access to digital literature search at no cost

All experience levels are encouraged to apply. WI license is required, IL license is encouraged but not mandatory. Interested DVM's and DVM candidates should provide the following via email to kmehredc@gmail.com. Include “Associate position resume” in the email subject line:
